

**STATESMAN'S SIGNATURE 2016 Stallion Service Contract for Domestic Fresh Cooled Semen**

This agreement for stallion service is between Marthe Reynolds via AboutSigi.com LLC, owner of the Morgan Stallion named Statesman's Signature AMHA #142813 (herein called the "stallion owner") and \_\_\_\_\_, owner or lessee of the Mare described below (herein called the "mare owner").

**Description of Mare:**

Name \_\_\_\_\_

Breed \_\_\_\_\_ Registration # \_\_\_\_\_

Sire: \_\_\_\_\_

Dam \_\_\_\_\_

Date of Birth \_\_\_\_\_ Color \_\_\_\_\_ Height \_\_\_\_\_

**DNA Record & Cool Semen Permit:** The stallion owner certifies that both a DNA record and Cooled Semen Permit for Statesman's Signature have been established with the American Morgan Horse Registry.

**Foal Registration:** If the mare is a registered Morgan, the owner agrees that the resulting foal will be registered with the AMHA within 6 months of foaling. This is non-negotiable.

**Breeding Season:** The 2016 Breeding Season is defined as May 1<sup>st</sup> through August 1, 2016. If the mare owner needs to extend the breeding season for any reason, the stallion owner agrees to accommodate as much as they are able. Please note: Statesman's Signature is a show horse. Collections will be scheduled around his showing schedule from May –August 2016.

**Number of Shipments:** the stallion owner agrees to supply up to three shipments of cooled semen for the above named mare, should they be required, during the 2016 breeding season. Additional shipments may be negotiated. Mare owner will pay collection, container and shipping fees on all shipments.

**Collection of Semen For 2016:**

**\*\*\*Notice of an overnight shipment of semen must be given to stallion owner no less than 48 hours before shipment, or shipment is not guaranteed.\*\*\***

**Insemination of Mare:** a qualified veterinarian must perform the insemination of the mare. The mare owner certifies that the veterinarian who will do the insemination practices reproduction services as part of their regular practice.

**Fees: FRESH COOLED SEMEN (Domestic Use Only)**

**Breeding and Booking Fees:** The breeding (stud) fee for the 2016 breeding season is \$1100.00, which includes a 450.00 non-refundable booking fee. Personal or business checks accepted; Cash App accepted \*\*with a 4% surcharge added to total paid.\*\* Payments due as follows:

**BOOKING FEE** of \$450.00 due to stallion owner by check with signed contract

**BALANCE** of \$650.00 is due by check to stallion owner before semen ships to mare owner.

Our reproduction vet is Dr. Ronald Emond, Candlewood Equine. On-site AI service is not available.

**Other Fees:** For fresh cooled semen mare owner is responsible for the semen collection fee, the shipping costs, and payment for disposable shipping box OR Equitaner rental. In order to assist in financial planning these fees are estimated below. The mare owner is charged only the exact cost incurred for these fees at the time they are incurred.

Collection, shipping and container fees are payable directly to: Candlewood Equine, 2 Beaver Pond Lane, Bridgewater, CT 06752. AMEX, MasterCard, and Visa are accepted.

Please call Liz or Debbie at Candlewood Equine to establish an account pre-collection:

**Cost breakdown (to be paid to Candlewood Equine)**

<b>Stallion Collection (subject to a 50.00 Sunday surcharge)</b>	<b>250.00</b>
<b>Semen Processing (motility, concentration, extender, packaging 2 doses)</b>	<b>75.00</b>
<b>Equitaner usage: 5-day usage fee, insured for 300.00 &amp; returned pre-paid 2-day Fed Ex: 50.00</b>	
<b>**OR**</b>	
<b>Disposable shipper box fee (does not need to be returned)</b>	<b>35.00</b>
<b>Shipping via FedEx: price varies with destination</b>	

**Insurance:** Neither the stallion owner nor Candlewood Equine is responsible for lost, misdirected or damaged semen shipments. It is recommended that the mare owner insure the shipment for the loss which will be incurred (veterinary fees, etc) should a shipment not arrive as expected

**90-day Pregnancy Check:** When an early pregnancy check indicates a pregnancy, the mare owner agrees to have the mare rechecked for pregnancy at approximately 90 days post insemination. If the mare is determined to be in foal at this time, all fees are considered paid. If the mare owner decides not to get a pregnancy check at 90 days, the mare will be assumed pregnant and the \$650.00 stud fee is non-refundable.

**Non-Conceiving Mares:** Should the mare not conceive during the 2016 breeding season or conveys then loses the pregnancy before the 90-day check, the mare owner will get a return

of the \$650.00 stud fee, unless the mare owner decides on future shipments. The booking fee remains non-refundable. This contract doesn't roll over to 2017. The mare owner may choose to breed back during the 2017 breeding season under a new contract, if the stallion is available, but is not obligated to do so. If the mare owner chooses to breed back during the 2017 breeding season, mare owner is obliged to pay a new booking fee and submit a new 2017 breeding contract.

**Live Foal Protection:** Once a mare is declared to be on foal at the 90-day check, the stallion owner gives the following protection:

Should the mare abort or not produce a live foal, the stallion owner will supply up to three semen shipments during the 2017 breeding season for that mare, at no cost to the mare owner except for collection, shipping and container fees. Written certification by a licensed veterinarian that the mare aborted or did not produce a live foal may be requested. Should the stallion be sold, deceased or physically incapable of breeding, the above protection clause is void.

**Mare Substitution:** if the mare is determined unfit for breeding during the 2016 breeding season, another mare owned or leased by the mare owner may be substituted during the 2016 season.
